BOMA St. Louis is pleased to present an exciting opportunity for you and your organization to support our charitable partner, Sunnyhill Inc.

As part of their services, Sunnyhill provides homes that allow their clients to live independently while receiving necessary support. With limited resources, the staff at Sunnyhill strives to provide clean, safe, welcoming homes for their clients.

You can help them achieve this goal by donating your time, services, and resources to their efforts. By participating in BOMA's Adopt a House program, you and your team of volunteers, or even other business partners, can help make repairs and improvements to these homes throughout the year.

You can also participate by donating new or used household items of need.

Your sponsorship of Sunnyhill's homes will make a great difference in the lives of their clients and will be acknowledged within all PR efforts and related promotions of this program.

Please contact
Miranda Phelps at
Sunnyhill today to
discuss how you
can get involved
in the Adopt a
House program!
